From the sy bnf, no 1126 d the 10 6 05.
Submits a report accordingly -

The facts of the case are as follows -

In August 1897, the President of the city
municipality, Mysore, submitted two stts;
one of these was for Rs 7170-11-2, which was
made up of chiefly the sale proceeds of the
materials of houses acquired for public purpose
from time to time & which was kept in
deposit in the St. Treasury since 1888. The
other stt was for Rs 5779-3-11, which was
paid as advance since 1891 both from the
municipal & the Western Extension funds.
In respect of the latter, the sy bnf reported
that owing to change of officers & officials
no references could be traced as to why
these advances were made & that the
comptroller urged for the adjustment thereof
and solicited orders as to adjusting the
latter "advances" out of the former "deposits."

2/ As written explanation was not likely to be satisfactory the President was asked to send an official to this office with all the accounts & papers relating to the items in question. An official appears to have been sent but nothing perhaps came of it - (see the explanation slip of the ^{late} Head Accountant)

3). Just about the same time, the Comptroller forwarded an abstract of advances amounting to Rs 7578-2-7 outstanding adjustment in the municipal accounts of the Mysore City. This was also forwarded to the President with the request that the official to be sent might bring all these accounts.

4) Nothing appears to have taken place in this matter till a reminder was received from the President soliciting early ^{orders} on his reference of 18.8.97, when a docket was addressed to the President with the following observations:—

i. That on the 30th June 1898, a sum of Rs. 24,522-8-4 ^{which} was outstanding for a long time on account of expenditure incurred in connection with the Mysore City & Port Improvement, was decided to be adjusted in the manner described in para 4 of S.O. no. 1940-53 d. 11.4.9. 1899.

ii That accordingly ^{R.S. 48-95} a sum of Rs 21701-13-5

was adjusted in the manner described in the
sy bond's letter no 413 of the 4.11.99, leaving a
balance of Rs 2821-6-5 still to be accounted
for.

1st point at issue

and that it was not clear whether the
unadjusted "advances" ^{of Rs. 5779-3-11} in question were
included in the amount that was outstanding
on 30.6.98. & subsequently adjusted.

2nd point at issue

5) In the above, the sy bond was also
requested to expedite the adjustment of
Rs 2821-6-5 referred to above.

6) The sy bond now reports that the
unadjusted advances of Rs 5779-3-11 is not
included in the amount referred to in para
4(iii) above & that these amounts are still
outstanding adjustments in the Comptroller's
latest objection etc.; but as these items
are old, he has asked the Comptroller to
verify these advances again & submit a report
to Govt. direct.

7) As regards the 2nd point at issue, viz the
adjustment of Rs. 2821-6-5, the sy bond has
requested the vice-President to follow the
course of directions given in para 4 of the 8.0

To,

Rever

Sir,

I have the honor to submit two statements one showing the sum of Rs 7,170-11-2 kept in deposit in the District Treasury since a long time, so far back as 28th March 1888. A large portion of this amount is the sale proceeds of old materials of houses acquired from time to time in the Fort of Mysore from Provincial funds.

The other statement shows that a sum of Rs 5779-3-11 was paid as advance both from the Municipal and the Western Extension Funds. This also dates from the 8th April 1891, owing to change of officers and officials, so references could be traced why

these amounts have been advanced.

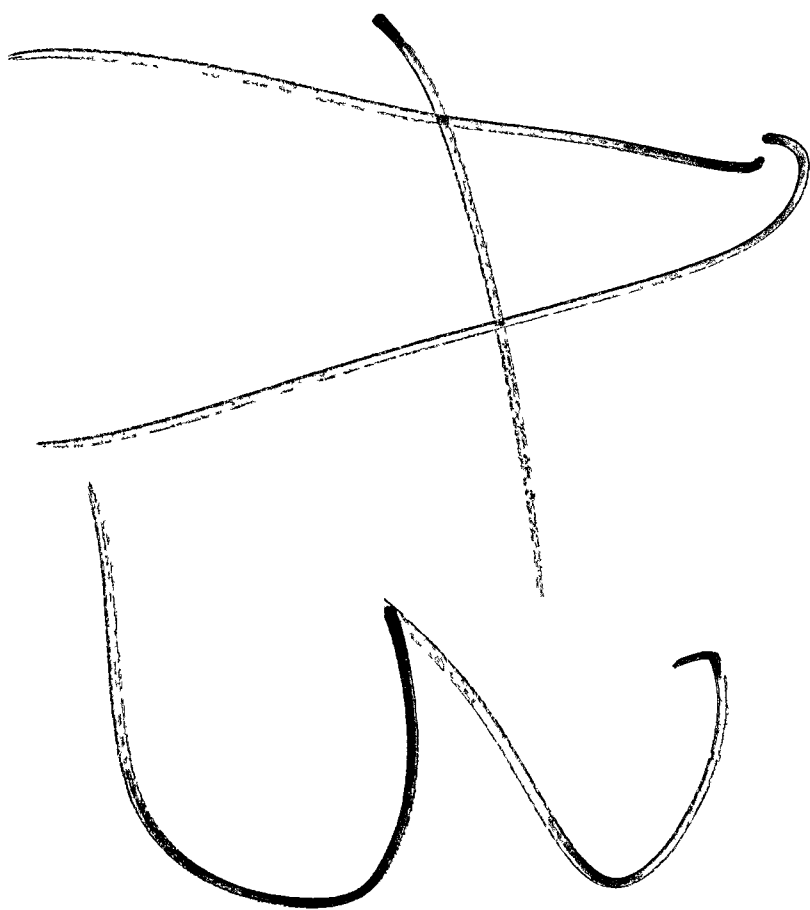

As these items are entered as
advance in the accounts from a long
time and the Comptroller wishes for
their early adjustment. I beg to
propose that these deposits may be
withdrawn and the advances adjusted
therefrom, crediting the balance to
Government and thus finally dispose
of the matter once for all. I request
therefore that you would be good
enough to obtain sanction of Govern-
ment for the same.

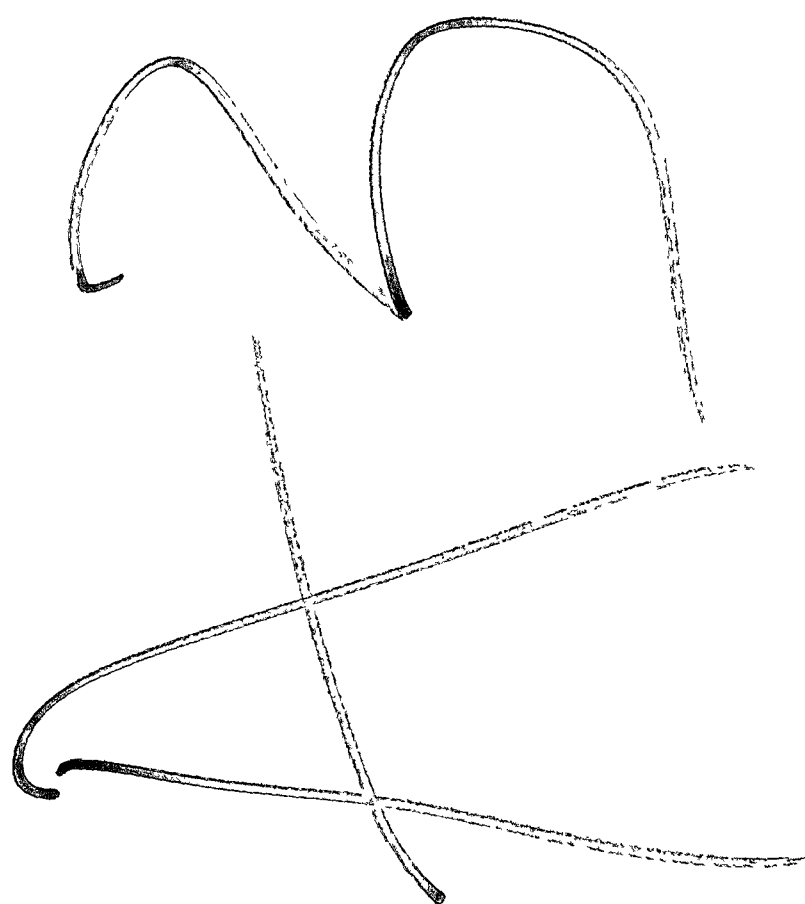

I have the honor to be

Sr,

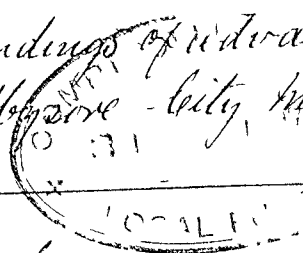

Yours most obedient Servant-

General No. 1126  
No.                     

Enclosure No.

Submits report regarding  
the adjustment of certain of  
advances of the City Municipal  
Authority, Mysore.

No 1126.

Deputy Commissioner's Office  
Mysore District  
Dated Mysore, 10<sup>th</sup> June 1905

To  
B. H. Venkataswamiengar Esq  
Secretary to the Government of Mysore  
General and Revenue Departments.

Sir,  
Adverting to your docket No 71235  
dated the 11<sup>th</sup> February 1903 and subsequent  
reminders calling for a report regarding  
a proposal of the President of the Mysore  
Municipal Board to adjust certain  
loans advanced out of the deposits relating to the  
years 1888 to 1896 I have the honor to  
state as follows -

The question now asked is whether  
sum of Rs 5779-3-11 which is proposed  
be adjusted out of the old deposits items  
found to be the Municipal President's  
share, is included in the sum of Rs 24,522-8-4,  
major portion of which was adjusted in  
year 1899.

To answer this question, it is necessary

to examine minutely the bills, and were  
already submitted to Govt, and regd  
the advance of \$ 21,701-1-11 already adjusted.  
As the accounts connected with the above  
are kept in the City Municipal Office the  
Vice President was requested to kindly  
report on this point, after examining the  
accounts of his office.

3. That officer has distinctly reported  
in his No 1581 dated the 4<sup>th</sup> March  
1905 that the sum of \$ 5779-3-11 is not  
included in the amount of \$ 21,701-1-11  
already adjusted adding that his objection  
statements received from the Comptroller  
still includes these items. As, however  
it is desirable to get the Vice President's  
report verified by the Comptroller, the  
items being very old, I have requested  
the Comptroller to submit a report to  
Government direct on this point.

4. As regards the adjustment of  
balance of \$ 2821-5-5 2 c. in  
the Conclusion of

reply, I beg to state that the amount forms  
 the residue of several big items, adjusted  
 subsequent to the receipt of Government  
 Proceedings No. 940-53 dated 11<sup>th</sup> September  
1748-95 1899, and its adjustment was found difficult  
 for want of previous references. The Vice  
 President was more than once requested  
 to adjust the same, and he has replied to  
 say that he is unable to do so, as the names  
 of the officers who drew the amounts, could  
 not be ascertained, vide his No. noted in the  
 margin.

Some of the items relate to a period  
 more than 15 years back and therefore  
 only procedure to be adopted as regards  
 it, under the circumstances, is, that pointed  
 out in para 4 of the Government order  
 above referred to, and the Vice-President  
 has again been requested to follow that  
 rule with full instructions in the matter.

I have the honor to be,

Sir

Your most obedient servant
